"God has made everything beautiful for its own time." ECCLESIASTES 3:11

Happy Spring! Easter is a beautiful season gifted to us from the Maker of all things beautiful. Let us be especially mindful of God's goodness. Easter gives us the opportunity to once again be thankful to God for all the abundant blessings that we have received through the risen Lord. We especially need to be grateful for the gifts of love, joy, forgiveness and eternal life with Jesus in heaven. Let us open our hearts to Christ's peace and allow the love of God to be resurrected, reborn, and renewed in our lives.

April has arrived and will prove to be a rather busy month full of activity. It is hard to believe that we are in the final months of the school year. Preparations have been made for administering our Kindergarten First Grade Readiness test, ITBS/Cognitive Abilities Test (Grades 2-8), DIBELS testing (K-3), field trips, parent/grandparent luncheons, Junior High & Elementary Reading Competitions, Math 24 Challenge, Sports Banquet, First Holy Communion, Diocesan Spelling Bee, and graduations. As we approach the final months of the school year, let us continue to remain focused and committed to doing our very best. **Students may feel they are finished with school, but I assure you, school is not finished with them. Please encourage your child(ren) to remain dedicated to their studies, put forth their best efforts, and make every effort to be in attendance.**

Due to the generosity of our students and families we were able to donate **\$990.50** to the Missionary Childhood Association. Thank you all for being a positive change in the life of a child.

TUITION

It is hard to believe that we are approaching the end of the school year. With that in mind, please remember to keep your **tuition payments** current. Our policy in regard to outstanding balances applies to **all students** in grades **K-8**. **Until your account is brought up-to-date, your parent privileges to access PowerSchool will be inactivated, you will not receive mid-term grades for the fourth nine weeks (grades 4-8), your child’s participation in field trips will be suspended, final report cards will not be issued nor will student records be transferred to another school, and if your child is in kindergarten or eighth grade, they will not be permitted to participate in graduation ceremonies. Once payment arrangements are made and payments are received, privileges will be reinstated.**

We realize that choosing a Catholic education for your child involves sacrifice on part of the family. The choice is well worth the extra effort! Please be a responsible steward of this treasure so that Saint Michael School may satisfy the financial obligations that we have incurred educating your child(ren). If you are having financial difficulties, please bring this to our attention so that we can assist you now. Thank you.

FIRST COMMUNION

Our **First Communicants** and their **parents** will create a banner in preparation for their First Communion. The event will take place on **Saturday, April 14th** at **10 am** in the school hall. Banners will be displayed in the basilica through Pentecost Sunday. We are looking forward to sharing this special occasion in the faith life of your children.

Our second-grade students will be receiving their **First Holy Communion** on **Sunday, May 6th** at the **10:30 am Mass**. Let us pray that this special time of preparation and the reception of Holy Eucharist will deepen the faith of our children and bring blessings upon them.

REMINDERS

As we begin to experience warmer weather, a few reminders are necessary:

1. **Solid, dark colored dress shoes**, which are practical and safe for the school environment, are to be worn. Dress shoes may not have a measurement of more than 2 inches in combined height of sole and heel (no skinny heels are permitted).
2. NO sandals, clogs or open back shoes are to be worn to school (this includes Kindergarten students). These pose a danger on the stairways and hinder physical activity on the blacktop.

3. **Crew** socks or **knee-hi** socks (solid white or navy) are to be worn at all times. They must be at least two (2) inches above the ankle. **(LOW CUT SOCKS ARE NOT PERMITTED.)**
4. Shorts **may not** be worn until **May 1st** (weather permitting). This, too, includes the Kindergarten students.
5. Uniforms may be no shorter than one inch above the knee. Shirts and blouses are to be tucked in at all times.
6. Extravagant hairstyles (teased, colored, sculpted, etc.) are forbidden. Hair should clear the eyebrows. Boys' hair may not extend over the collar.

*****It is the responsibility of the parents/guardians to see that their child adheres to the dress code.**

As always, your cooperation and support are deeply appreciated.

Sincerely,

Mrs. Renee Phister, Principal
