

## S.M.A.R.T. Program 2016-2017

### Saint Michael's Arithmetic & Reading Tutoring

---

Dear Saint Michael School Families,

WELCOME to the **New & Improved** S.M.A.R.T Program! Over the past year I have been working to improve this program to bring about the greatest benefits for our students. To obtain this goal, I have been working collaboratively with Lisa Georgiana, the Director of Service Learning and Mary Ann Shaw, instructor of Special Education, from Saint Francis University to enlist student tutors who are dedicated to our mission. Some of which are education majors.

The S.M.A.R.T Program for this semester is open to students in **grades 1 – 8** and is free of charge. Consideration will be given to those students who have an **academic need** based on classroom performance and/or teacher referral. However, I do not want to discourage anyone from participating so therefore, dependent on the above mentioned criteria, response to program participation, and the available number of tutors, your child may be able to participate. **I encourage all to fill out the registration form at this time so that we can assess the number of students for participation. If we cannot accommodate your child, I will let you know after the first S.M.A.R.T session on Thursday, September 22<sup>nd</sup>. All interested students should attend the first session.**

Kelly Beegle, a Graduate Assistant at Saint Francis University will collaboratively supervise the program along with me. She will be here for each session and will oversee the other student tutors. We are looking forward to assisting your child in improving his/her academic abilities. The S.M.A.R.T Program will be held on **Tuesday** and **Thursday** afternoons from **3:00PM to 4:15PM**, with an overall departure time by **4:30PM**. The starting date will be **Thursday, September 22<sup>nd</sup>**

Please fill out the attached form **ASAP** and return it by **Friday, September 16<sup>th</sup>**. **If you are in need of additional registration forms, they are available on the school website under "Parent Forms."** If your child is staying for S.M.A.R.T you must write a **note for each day that they will be participating or it will be assumed they are to ride the bus home.** If you have any further questions, please contact Saint Michael's School at 814-472-9117. We look forward to working with you and your child(ren)!

Thank you,

Mrs. Renee Phister, Principal

SMART Program Registration Form

Student: \_\_\_\_\_ Grade: \_\_\_\_\_

Teacher Referral: \_\_\_\_\_ Yes, this student **would** benefit from participation in the S.M.A.R.T Program

\_\_\_\_\_ No, this student **does not** need extra help at this time

Parent Referral: Why do you feel your child needs to attend the S.M.A.R.T Program?

\_\_\_\_\_

Parent(s)/Guardian(s): \_\_\_\_\_
